### Alois Irlmaier (1894-1959)

#### Italian revolution and clergy persecution, flight of the Pope

In the "boot country" (Italy) a revolution breaks out in which they kill all the clergy, I see priests with white hair lying dead on the ground. Behind the Pope is a bloody knife, but I think he escapes them dressed in the robe of a pilgrim.

Assassination of a high-ranking official, possibly in the Balkans

Two men will assassinate a third high-ranking official, they were paid by other people to do so. One of the murderers is a small black man, the other a little larger, with lighter hair color. I think it will be in the Balkans, but can not say exactly.

After the assassination of the third everything will begin overnight. The killers get away from them, but then it turns to dust. I see quite clearly three numbers, two eights and one nine. What that means, I do not know at this time. I can not say.

Middle East war despite loud protestations of peace

Everyone calls for peace, shalom! Then it's going to happen. - A new Middle East war suddenly flares up, big naval forces gather in the Mediterranean the situation becomes hostile and tense.

The assassination in the Balkans will trigger the war.

But the real spark is thrown in the Balkan powder keg: I see a fall "Great one", a bloody dagger lies beside him.

believing what has always been believed and taught by the Church and by adhering with whole soul to the Faith of the Church. Thereby the Catholic is assisted in distinguishing what is conformed to the Faith or, on the contrary, what afflicts and corrupts it. (Rev. Canon Rene Berthod) romanità: Roman character or quality

### CHILDREN OF MARY

The war is preceded by a fruitful year with lots of fruits and grain harvest.

Surprisingly beginning of the war comes from the east

Starts by the sunrise (Russians.). It therefore happens quickly. (in Germany) The farmers sit in the pub playing cards, as the foreign soldiers look through the windows and doors at them. All black is an army column coming in from the east, but it all goes very quickly.

Description of Army columns from the East

A threesome I see, but I do not know if it's three days' or three weeks.

From the golden city (Prague, GG.) they come into Germany. The first worm goes from blue water (Danube river) northwest up to the Swiss border '.

At Regensburg there is no bridge over the Danube, south of the blue water, they do not come. ...

Then ... it goes very fast. Massed troops march in Belgrade and forth from the east, and move to Italy.

A moment later three armored military groups go north of the Danube at lightning speed over West Germany towards the Rhine - without warning.

This will occur so unexpectedly that the population flees in panic toward the west. Many cars clog the roads - if they had but stayed at home or used other roads! What is an obstacle on highways and freeways for the rapidly advancing tanks tips and crushes them (the cars).

I see no bridge across the Danube above Regensburg.

From the large city of Frankfurt hardly nothing remains left.

The Rhine Valley will be devastated, mainly from the air. ...

I see ... Three military invasion spearheads approach: the lower army comes over the forest so, but then runs northwest up the Danube. The line is near Prague to the Bavarian forest and northwest. The blue water (Danube) is the southern boundary.

The second one edge going from east to west Saxony, third from northeast to southwest.

Now I see the earth like a ball before me, on the lines of the aircraft emerge that now fly up like swarms of white pigeons from the sand.

The Russian military comes in his three wedges, nothing to stop them. Day and night they come until reaching the Ruhr, where the industrial factories are. ...

The second shock comes over Saxony westward against the Ruhr area, as is the third army group, from the north-east is west of Berlin. Day and night the Russians come, inexorably. Their goal is the industrial Ruhr area of Germany. ...

Bombing into the sea creates floods and earthquakes, sinking parts of England

But as I see one therefore fly from the east, which throws a large bomb in the water well then something very strange happens. The water lifts itself as high as a tower and falls down hard again, then everything is flooded. There is an earthquake and half the large island will sink.

A single aircraft ... that comes from the east, throws an object into the big water. Since the water lifts itself as high as a tower high and falls down again. Everything is flooded. There is an earthquake. The southern part of England slips into the water.

Three large cities will perish one will perish in the water, the second stands as deep as a church steeple in the sea, and the third city falls altogether. ...

A part of England disappears, when the thing falls into the sea, which the pilot drops. Then the water lifts itself as high as a tower and falls down. What that (bomb?) is, I do not know. ...

The countries on the sea are endangered because of the water, the sea is very rough, the waves go as high as a house; the sea foams as if it is boiling underground. Islands

Prayer of St Therese of the Infant  
Jesus and the Holy Face

It is said that this devotion brought St Therese of Lisieux, "the Little Flower", to her great sanctity. This is her prayer to the Holy Face: O Jesus, who in Thy bitter Passion didst become "the most abject of men, a man of sorrows", I venerate Thy

disappear, and the climate is changing. A part of the proud island sinks, if the thing falls into the sea, which the pilot drops. Then the water lifts itself as high as a tower and falls down. What that is, I do not know. When it comes, I do not know.

#### Duration of the war

The whole war doesn't last long, I see three points - three days, three weeks, three months, I don't know exactly, but it (the war) won't last long!

#### 3-day darkness during the war

During the war ... is the great darkness that lasts 72 hours. (Asteroid impact?)

... In this event, I see a large cross in the heavens, and an earthquake will be thunder and lightning that frightens all the world and they cry out: "There is a God!"

It will be dark in a day during the war. Then breaks forth a hail of thunder and lightning, and an earthquake shakes the earth.

#### Behavior during the dark days:

The lights do not burn, except candle light, there is no electricity.

Whoever breathes the dust, gets a cramp and dies. Outside the dust kills many people.

Then do not go out of the house!

Do not look out the windows, during the 72 hours do not open any window cover them with black paper.

Keep the blessed candles burning.

All open water is toxic and all foods that are not in sealed cans. Also eat no food in jars.

Do not go out, do not look out the window,: I say it again.

And pray.

After 72 hours it will be over.

Outside there will be countless dead people and animals, from lack of water and by the toxic cloud

Overnight, more people die than in the two world wars .... After the disaster, more people will die than in the two world wars together.

The rivers will have so little water in them that you can easily walk through them.

The cattle will fall, the grass is withered and yellow, the dead people are all yellow and black. The wind drives the clouds of death off to the east.

Peace then, resettlement in empty areas

Then there will be peace and a good time.

After the disaster a long, happy time will come. Those who shall experience this peaceful time can be thankful and very happy for it shall be very good. .

The landless people prefer now to where the wilderness has emerged. Anyone can settle where he likes, and have land as much as he can cultivate.

#### Warmer climate in Germany

By climate changes wine is cultivated with us again. There are tropical fruits grown here in Germany with us. It is much warmer than now.

Sacred Face whereon there once did shine the beauty and sweetness of the Godhead; but now it has become for me as if it were the face of a leper! Nevertheless, under those disfigured features, I recognize Thy infinite Love and I am consumed with the desire to love Thee and make Thee loved by all men. The tears which well up abundantly in Thy sacred eyes appear to me as so many precious pearls that I love to gather up, in order to purchase the souls of poor sinners by means of their infinite value. O Jesus, whose adorable Face ravishes my heart, I implore Thee to fix deep within me Thy divine image and to set me on fire with Thy Love, that I may be found worthy to come to the contemplation of Thy glorious Face in Heaven. Amen.

#### Cor Jesu sacratissimum, miserere nobis!

Prayer of Trust in the Sacred Heart: In all my temptations, I place my trust in Thee, O Sacred Heart of Jesus. In all my weaknesses, I place my trust in Thee, O Sacred Heart of Jesus. In all my difficulties, I place my trust in Thee, O Sacred Heart of Jesus. In all my trials, I place my trust in Thee, O Sacred Heart of Jesus. In all my sorrows, I place my trust in Thee, O Sacred Heart of Jesus. In all my work, I place my trust in You, O Sacred Heart of Jesus. In every failure, I place my trust in Thee, O Sacred Heart of Jesus. In every discouragement, I place my trust in Thee, O Sacred Heart of Jesus. In life and in death, I place my trust in Thee, O Sacred Heart of Jesus. In time and in eternity, I place my trust in Thee, O Sacred Heart of Jesus.

#### Mater Ter Admirabilis, ora pro nobis!

My Queen, my Mother, I give myself entirely to thee, and to show my devotion to thee, I consecrate to thee this day, my eyes, my ears, my mouth, my heart, my whole being without reserve. Wherefore good Mother as I am thine own, keep me, guard me, as thy property and possession. Amen.

#### ITE AD JOSEPH

In an interview given in the 1950s Alois Irlmaier related the following:

The city with the iron tower (Paris?) becomes the victim of its own people. They ignite everything. Revolution is, and everything is going wildly.

The large city with the iron tower is on fire. But this has been done by its own people, not by those who came from the east. And in Italy it is going wildly too. They kill many people there and the Pope flees, but many clergymen will be killed, many churches collapse.

In Russia a revolution breaks out and a civil war. The corpses are so much that you cannot remove them off the roads anymore. The large ones among the party leaders commit suicide and in the blood the great guilty is washed off. I see a red mass mixed with yellow faces, it is a general riot and horrible killing.

The cross comes to honours anew. The Russian people believe in God anew. They sing the Easter song and burn candles in front of sacred pictures. By the prayers of Christianity the monster from hell dies; also the young people believe anew in the intercession of the God's mother.

If everything is over, a part of the inhabitants have died, and the people are frightened of God anew.

The abortion laws, which bring death to the children, become invalid. Then peace will be. A good time. The Pope, who had not to flee across the water for a long time, returns. When the flowers bloom in the meadows, he will return and mourn for his murdered brothers. After these events a long, lucky time comes. But the people have to begin anew there, where their grandfathers began. End!

Has the Catholic Church ever given approval to this seer and his prophecies? I read somewhere that at one point he was accused of witchcraft and put on trial but was exonerated when he correctly predicted what the judges wife happened to be wearing that day. I'm not saying that this man wasn't a genuine mystic but, to me I would be more inclined to believe his prophecies if they had full Church approval.

PRAYER FOR THE CHURCH AND THE HOLY FATHER MOST POWERFUL Patriarch St. Joseph, Patron of the Universal Church, which has always invoked thee in anxiety and trouble, from the exalted seat of thy glory cast a loving glance upon the whole Catholic world. let thy fatherly heart be touched at the sight of the Mystical Spouse and the Vicar of Christ overwhelmed with sorrow and persecuted by powerful enemies. Oh, by the bitter anguish thou didst experience upon earth, dry the tears of the venerable Pontiff, defend him, comfort him, intercede for him with the Giver of peace and charity, that, all adversity being removed and all error dissipated, the entire Church may serve God in perfect liberty. Amen.

## "SERVUS MARIAE NUNQUAM PERIBIT"

**servusmariae**

Louisville, Kentucky, United States

I am a forty- something traditional Roman Catholic "working out my salvation in fear and trembling" as best I can. I grew up in the post conciliar modernist wasteland. I've longed however with all my heart for a restoration of tradition & continuity in the Church. I seek to be a truly Catholic kind of Traditional Catholic and not adhere to Paul, Apollos or Cephas parties in the Church...I continue to pray daily in earnest for a restoration of an authentic sensus Catholicus and the extirpation of modernism in the Church especially among the clergy and urge everyone to take up their rosaries in a crusade for that end. Bishop Athanasius Schneider exhorts us: "we need new saints today, one or several Saint Catherines of Siena. We need the "vox populi fidelis" demanding the suppression of this liturgical rupture. The tragedy in all of this is that, today as back in the time of the Avignon exile, a great majority of the clergy, especially in its higher ranks, is content with this rupture." The servant of God Fr Tomáš Týn OP May 3, 1950 - January 1, 1990 said, "if we have no love for tradition, we cannot call ourselves Catholics."

## DAILY OFFICE ANGLICAN USE

A Call for a  
New Syllabus  
of Errors by  
Bishop  
Athanasius  
Schneider

'Evelyn Waugh  
Catholics' is  
there any other  
kind?

An English friend and colleague, the icon painter David Clayton, told me that when he first converted and began to attend Mass at London's extraordinary Oratory, some cradle Catholic warned him away from the place: "All you'll meet there," the fellow said, "are 'Evelyn Waugh Catholics.'" To which I answer, "Is there any other kind?" No doubt there are, in Yamoussoukro, or the mountain chapels of Bolivia. May God bless and keep them. But in the English-speaking world, I cannot imagine any properly formed Catholic who wouldn't feel deep-running sympathy, right down to the clench of his gut, with Waugh's excruciated elegies to the remnants of a vanishing Christendom. Its melancholy, long, withdrawing roar is finally fading — and in England is daily more dully drowned by the cats-in-heat call of the muezzin.

"There cannot be, nor could there be, a pre-Conciliar Church and a post-Conciliar Church!"

"Renewal is always necessary for the Church, because the conversion of her members, poor

sinner, is always necessary! But there cannot be, nor could there be, a pre-Conciliar Church and a post-Conciliar Church! If this could be so, the second one—ours—would be historically and theologically illegitimate!"

PRAYER FOR THE BEATIFICATION OF THERESE NEUMANN: Almighty God, our Father in Heaven, with infinite love You give us signs to stir our dull minds when we consider the lives of Your Saints. To recall our Lord's passion You granted Therese Neumann to bear his sacred wounds visibly on her body. You enabled her to see much of His life on earth in her visions. You allowed her to make amends for the sins of men by suffering with the Saviour. Likewise You reminded us of the lasting value of the Sacrifice of the Mass and the abiding presence of Christ Your Son in the Most Holy Sacrament of the Altar by permitting her to live

for over 30 years solely through receiving the sacred host in daily Holy Communion! We beg to further distinguish Therese Neumann by granting our prayer to have her raised to the honors of the altar, that more people may through knowledge of her love for You and Your laws draw nearer to You. We ask this through Christ our Lord. AMEN
